

### ABOUT BUSH WAYS LODGES

Set amongst the most stunning **natural highlights of Botswana**, **Bush Ways Lodges** offer ample opportunities to **explore the African Bush** and admire its **fantastic fauna and flora**.

Our camps have been developed to simultaneously provide the most **intimate immersion** into Botswana's **unique environment and culture**, contribute to the local **communities' development** and participate in the **preservation** of the country's pristine wilderness areas.

Operating in incredible yet fragile ecosystems, it was very important for us to build and manage our lodges with the **lowest ecological impact** and **carbon footprint**.

We also **collaborate closely with the local communities** to ensure they can benefit first hand from tourism development and encourage community members to engage with our guests and provide them with a **true Botswana experience**.

### ABOUT SANGO SAFARI CAMP

**Sango Safari Camp** is nestled in the shade of the trees overlooking the Khwai River. Situated on the outskirts of the traditional village of Khwai and on the border of Moremi Game Reserve, the camp offers guests the perfect base from which to explore the wildlife and culture of this unique habitat.

This intimate safari camp is named after the Sango Family, some of the original inhabitants of the Khwai area, with whom Bush Ways developed the camp. Guests have the chance to learn first hand about the unique lifestyle and experiences that come from living and growing up in one of the most wildlife rich areas of Botswana.

Accommodating 12 guests in 6 en-suite meru tents, Sango Safari Camp is designed in the style of the classic tented safari camp of days gone by. With its open-air showers, hand crafted furnishings and classic styling Sango Safari Camp aims to rekindle the atmosphere of the luxury mobile safari camp, successfully blending the rustic with the luxurious.

With the Khwai River forming a natural border between the world famous Moremi Game Reserve and Khwai Concession, animals can travel freely through this vast unfenced wilderness, allowing Sango Safari Camp to be focused on delivering an exceptional wildlife experience to our guests.

Guests can therefore take advantage of a host of wildlife activities, which include: open vehicle game drives both in the Moremi and in the Khwai concession area, traditional dugout canoe "mokoro" excursions, and night drives.

**Please note:** All activities are subject to seasonal availability and weather conditions during the month of travel.
